If your client is a UK Citizen, this is the National Insurance Number. If your client is dual national or a national of another country then another identifier may be required. 2a Sell Details

We may sell funds in sequence from the first listed fund until the requested total amount has been reached. When selling your investment we may, on occasion achieve slightly more or less than requested. This is because fund prices change on a daily basis. Where more cash is received for your investment we will deposit the additional amount as cash within the investment account. Where less cash is received than requested we will try and complete the full value of your instruction using any available cash in the investment account. Where this is not possible we will process the investment into the ISA for the amount received.

Where Fund Manager's Sell Charges apply, we may sell enough to cover the instruction in addition to the charge.

When selling a fund you can request an amount up to 90% of the current value. If you ask us to sell more than 90% then we will do so by selling units instead of a specific amount.

Please do not include brokerage assets. Buying and selling brokerage assets is not supported on paper forms Please sell down the brokerage asset using our online service. You can then use this form to move the resulting cash to your ISA.
